Marketing Role Joining Agreement

This Joining Agreement (the **Agreement**) is entered into on **[date]** between **[Company legal name]**, having its registered office at **[address]** (the **Company**), and **[Employee name]**, residing at **[address]** (the **Employee**). The parties agree as follows:

1. Appointment and joining

- 1.1** The Company appoints the Employee as **[role title]** from **[joining date]**. The Employee accepts the appointment and confirms that they are legally free to join and perform the role.
- 1.2** The Employee will report to **[manager name/title]**. The Company may reasonably change reporting lines, team structure and responsibilities to meet business needs, without reducing earned compensation or statutory rights.
- 1.3** Employment is subject to verification of identity, education, prior employment and any documents listed in Schedule B. A material false statement may lead to withdrawal of the offer or disciplinary action after a fair review.

2. Role and responsibilities

- 2.1** The Employee will perform marketing work including campaign planning, content coordination, market research, lead-generation support, analytics, reporting, brand compliance and other reasonable duties connected with the role.
- 2.2** The Employee will use reasonable skill and care, meet agreed deadlines, maintain accurate records, follow approved budgets and obtain authorization before making public commitments or incurring expenses for the Company.
- 2.3** The Employee has no authority to sign contracts, promise discounts, appoint vendors, make public statements on behalf of the Company or spend Company funds unless separately authorized in writing.

3. Probation, working arrangements and policies

- 3.1** The first **[three/six] months** will be probation. The Company will provide reasonable feedback and may confirm employment, extend probation where permitted by law, or end employment in accordance with this Agreement and applicable law.
- 3.2** Normal working days and hours are **[details]**. The role may require reasonable flexibility for campaign launches or events. Weekly rest, overtime, public holidays and leave will follow applicable law and Company policy.
- 3.3** The Employee will follow the current employee handbook, information-security rules, expense policy, anti-harassment policy, code of conduct and brand guidelines. If a policy conflicts with this Agreement or applicable law, the higher legal protection applies.

4. Compensation and benefits

- 4.1** The Employee will receive the compensation stated in Schedule A, subject to lawful deductions and applicable taxes. Salary is paid **[monthly]** by **[payment date]**. Variable pay is earned only under the written incentive plan and is not guaranteed unless expressly stated.
- 4.2** Approved business expenses will be reimbursed against valid records under Company policy. Benefits, insurance, paid leave and retirement contributions will be provided as listed in Schedule A and as required by law.

5. Confidentiality, data and intellectual property

- 5.1 Confidential Information includes non-public customer, employee, financial, product, pricing, campaign, strategy, access, vendor and technical information. The Employee will use it only for Company work, protect it with reasonable care and disclose it only to authorized persons.
- 5.2 The confidentiality duty does not cover information that is lawfully public, already known without restriction, independently developed, or lawfully received from another source. Nothing prevents protected reporting to a regulator or authority.
- 5.3 Work product created within the role, using Company resources or based on Company Confidential Information will belong to the Company to the extent permitted by law. Pre-existing materials listed in writing remain the Employee's property; the Employee grants the Company only the license needed to use any approved pre-existing material included in work product.
- 5.4 The Employee will process personal data only for authorized business purposes, use approved tools, keep credentials private, report suspected incidents promptly and return or securely delete Company data when instructed.

6. Conduct, conflicts and outside work

- 6.1 The Employee will avoid undisclosed conflicts of interest, gifts or side arrangements that could improperly influence Company decisions. Actual or potential conflicts must be disclosed promptly for review.
- 6.2 Outside work is permitted where it does not compete with the Company, misuse Company resources or confidential information, interfere with duties, or breach working-time rules. The Employee will request written approval where Company policy reasonably requires it.

7. Performance, discipline and termination

- 7.1 Performance expectations will be communicated reasonably and reviewed fairly. Where appropriate, the Company will provide feedback and an opportunity to improve before termination for performance.
- 7.2 After probation, either party may terminate employment by giving **[30/60] days'** written notice or payment in lieu where permitted. During probation, the notice period is **[7/15] days**. Longer statutory notice or benefits prevail.
- 7.3 The Company may take immediate action for serious misconduct, fraud, violence, deliberate data misuse or other legally recognized cause, subject to a fair process and applicable law.
- 7.4 On exit, the Employee will complete a reasonable handover, return Company property and stop using Company systems. The Company will pay earned salary and other final dues within the period required by law.

8. General terms

- 8.1 Notices must be sent to the addresses or official email addresses stated by the parties. Changes to this Agreement must be in writing and signed by both parties.
- 8.2 If any provision is unenforceable, the remaining provisions continue. Delay in enforcing a right is not a waiver. This Agreement and its schedules form the complete employment agreement, subject to non-waivable statutory rights.
- 8.3 This Agreement is governed by the laws of **[State/Country]**. Courts at **[city]** will have jurisdiction, unless applicable employment law requires another forum.
